# About "EQUITY"

**The organization dedicated to claiming the rights and interests of individuals in difficult situations involves me deeply in the mission to be with them, to listen, advise and guide them in these difficult moments.**

**In every action we take, we stand firm for Justice, Equality, Fairness and Solidarity among people. Our goal is to become not only a support in individual problems, but also a trusted friend, to collaborate together to find solutions and strengthen our community.**

**Every individual is valuable to US, and our common goal is to provide the necessary support to make your voice heard and defend your rights. By joining forces and collaborating within the community, members of our organization will become stronger and more resilient in the face of challenges.**

# VISION AND MISSION

## Vision

- The Association's vision is to build a society where all citizens have equal access to rights and opportunities, where the principles of social justice are fundamental and equally respected. We envision a community where every individual enjoys dignity and equity, regardless of their origin, social status or cultural affiliation.

## Mission

- Our mission is to act as a catalyst for positive change in society, bringing together the intellectual and organizational resources of our members in a common effort to promote core values. We aim to defend and claim the civil, economic, social and cultural rights of citizens, contributing to the creation of an environment conducive to the development of each individual and the community as a whole. At the same time, we are committed to promoting the principles of good governance and integrity in the public sector, aiming to build transparent, accountable and citizen-oriented institutions. Through our activities, we are dedicated to supporting social justice, protecting human rights and promoting constructive dialogue for a fairer and more inclusive society
